

# Better Living With Your Lung Disease

## Patient Seminar

### Adelaide 2017

## Seminar Program

- 9:00am **Registration** — tea and coffee available
- 9:45am **Welcome from Lung Foundation Australia**
- 10:00am **Living Well with Lung Disease and the Importance of Being Proactive in Your Care**  
Kate Swetenham, a registered nurse and clinical director of Southern Adelaide Palliative Services, will provide some suggestions on how to communicate with your health professionals to enable you to manage the symptoms of lung disease and achieve the best outcomes.
- 10:45am **Morning tea break**
- 11:15am **Lung Function Testing**  
A respiratory scientist from the Royal Adelaide Hospital will talk about the importance of lung function testing, explain how it is carried out and why it is necessary to conduct it regularly. A spirometry demonstration will also take place.
- 12:00 noon **Thank you and close**
